

Waitakere Licensing Trust Ward 1 (Te Atatu)

Electing 2 Members

Amanda ROBERTS

Trusts Action Group

My principal place of residence is in the Waitakere Licensing Trust Ward 1 (Te Atatu) area.

I'm a resident of Te Atatu Peninsula with my husband and young son. We chose the Peninsula because of the great recreational facilities and family friendly vibe here. It's important to me to

be involved in our community and see it thrive. As a marketing and advertising professional, my skills will add value to the trusts.

Through my commercial acumen and strengths in listening to, and understanding what, our community wants and expects from them. The trusts were established to serve West Auckland and I intend to contribute actively and be a voice for the community to deliver the best possible outcomes from their operations.

A member of the trusts action group advocating for greater choice, transparency and democracy, I support a referendum on the monopoly. This will give the community it's right to choose and bring greater economic and social benefits to the region.
