Brooke LOADER

Labour Party

My principal place of residence is in the Waitakere Licensing Trust Ward 1 (Te Atatu) area. I am also standing for Henderson-Massey Local Board.

A vote for Brooke Loader is a vote to minimise alcohol harm in our community, and to give back more funds to local groups. I will ensure we do not see liquor stores on every corner and we will run the Trust responsibly with the community at the heart of everything we do.

I'm running a small business here, and I want to make sure our local town centres are thriving and exciting places to visit and enjoy, enveloped by our beautiful natural environment. Our sports clubs, social agencies, youth programmes and schools are important for us all, and they need our help.

A focus on giving back more funding for young and old means community organisations have what they need to make your neighbourhood an even better place to live. Give your vote to Brooke Loader and let's do more for West Auckland.
