

Portage Licensing Trust No. 1 (Auckland City) Ward

Electing 3 Members

Kathryn DAVIE

Community Independents

My principal place of residence is in the Portage Licensing Trust No. 1 (Auckland City) Ward area. I am also standing for Whau Local Board.

Community Independent.

Kathryn has lived in the Portage Trust area all of her life, having served 12 years on the PLT. It was always a humbling experience meeting so many community volunteers, receiving letters from scholarship and Spirit of Adventure participants were definite highlights.

Raising five children, involved in numerous clubs and schools committees, made me aware that volunteers keep clubs going and need encouragement to apply for funding which in turn helps our families in our community, and keeps volunteers spirits up.

Having a Trust means having a say, controlling liquor outlets, gaming activities in our community, and respect that our community does not want more, or the associated problems. Working for updated outlets, staff having input, and working for our communities future are goals I am also working towards. Kathryn is also standing for the Whau Local Board.
