

Portage Licensing Trust No. 1 (Auckland City) Ward

Electing 3 Members

Kurt TAOGAGA

City Vision

My principal place of residence is in the Portage Licensing Trust No. 1 (Auckland City) Ward area.

I live in New Windsor with my partner and baby daughter. Like many, we have chosen to build our lives in west Auckland. I am trained as an English language teacher and have worked with

some of our community's newest residents. I currently split my time between working in litigation, looking after our young daughter and completing postgraduate business studies.

With a background in sports club management and administration, I will be a strong advocate for strengthening community groups through Trusts' funding. I believe wholeheartedly that the Trusts are critical in keeping safe and responsible distribution of alcohol in the hands of the community. If I am elected, I pledge to support the continuation of the Trusts in the Portage. I will push for a transparent business that pays the Living Wage.
