

Waitakere Licensing Trust Ward 4 (Henderson)

Electing 1 Member

Lynette ADAMS

Independent

My principal place of residence is in the Waitakere Licensing Trust Ward 4 (Henderson) area.

It is an honour to serve as your current Waitākere Licensing Trust member. I am a strong advocate for The Trusts as a well-functioning social enterprise benefitting our community by returning profits, providing employment and promoting responsible sale of alcohol. A model envied by many other regions.

As a proud Westie, our model appeals strongly with its focus on local people making local decisions. I will continue to focus on giving back to our schools, sports and community organisations, by developing profitable modern stores and hospitality venues and keeping the current model relevant.

I have lived in the West all my life and have been working as CEO of Sport Waitākere for 15 years. This role has helped me develop meaningful community relationships that contribute positive difference in the lives of West Aucklanders.

I believe I offer the experience, relationships and local knowledge necessary to help our community thrive.
