

Waitakere Licensing Trust Ward 4 (Henderson)

Electing 1 Member

Murali KUMAR

Labour Party

My principal place of residence is in the Waitakere Licensing Trust Ward 4 (Henderson) area. I am also standing for Henderson-Massey Local Board.

A proud resident of Henderson, I believe the Licensing Trust supports and improves our local community. I am seeking your vote to ensure the Trust continues to give back to the community, grows the funding invested into Henderson and supports our local groups, sports clubs and exciting community events. I want a focus on diversity, to make Henderson a more vibrant and exciting place to live. For many years, I have worked with local and central government, focussing on community development and events through engaging the business sector and local residents. I am a Justice of the Peace and I have also served on various community boards, working closely with diverse communities. My experience and strong connections can support the growth of Henderson. I am keen to work together to progress our community and humbly request for your support and vote to make a difference - Please Vote for Kumar.
