

Portage Licensing Trust No. 1 (Auckland City) Ward

Electing 3 Members

Paul DAVIE

Community Independents

My principal place of residence is in the Portage Licensing Trust No. 1 (Auckland City) Ward area. I am also standing for Whau Ward, Whau Local Board.

Community Independent.

Paul is a long term resident in the Portage Licensing Trust area, with a long term association to the PLT, and been an extremely vocal advocate for the local area. You can improve the representation for your community by voting both Kathryn and Paul Davie to the Trust, ensuring you have a very loud, stronger voice for your community. Paul believes the community needs to have a say on how many liquor and gaming outlets there should be and where they should be. The monies returned to your community boosts many clubs, schools and sporting organisations but the effects on our community and residents must be the primary consideration of the Trust in conducting their businesses. While the Trusts maintain a monopoly, we see a proliferation of outlets in non-Trust areas. Paul is also standing for the Local Board. Please vote for all Community Independent candidates.
