

Waitakere Licensing Trust Ward 1 (Te Atatu)

Electing 2 Members

Penny HULSE

Independent

My principal place of residence is in the Waitakere Licensing Trust Ward 1 (Te Atatu) area.

We live on Te Atatu peninsula. We've raised our family out west and love this wonderful community.

I've served as a long time Waitakere councillor including as Deputy Mayor for 9 years. I am stepping down from council but still wish to serve my community on the Waitakere Licensing Trust. The Trust model means that all West Aucklanders actually own the Trust business, and the profits go back to our community, not to overseas shareholders. I will keep working to see more quality Trust venues offering hospitality that reflects our changing community expectations. Also safe and friendly stores that fit into our community, not a bottle shop on every corner!

I have dedicated my life to the west and will keep working hard to ensure the Trust remains a thriving business, and supports our awesome community organisations, environmental groups, sports clubs and schools.
