#### **Wayne DAVIS**

Independent

My principal place of residence is in the Portage Licensing Trust No. 2 (New Lynn) Ward area. I am also standing for Whau Local Board.

Wayne, lives in New Lynn, with his partner and son, having served on the previous Waitakere City Council for 9 years.

Wayne brings, local body experience to the Whau, which sadly has faltered under the Super City.

He would like to see, better use of Ratepayer money, that has been spent, on non important items.

The removal of 45 carparks, by the New Lynn library as only the tip of parking iceberg.

Wayne, is currently Chairman, of Keep West Auckland Beautiful, a branch of Keep New Zealand Beautiful.

Many will know of Wayne's, community involvement through the many years.

Is also Chairman of Waitakere Asian Support Group.

He is very concerned of crime, vandalism, and ways through, his connection with the New Lynn Police, Safe Waitakere, and Neighbourhood Support Waitakere.

Wayne wants an open Council, no hidden agendas.

Important, as Wayne is approachable, and a strong Independent.
